

LAS/ANS SYMPOSIUM 2024

CALL FOR PAPERS

PAPER SUBMISSION INSTRUCTIONS

SYMPOSIUM PRESENTATION

The LAS 2024 Symposium is a scientific-technical multidisciplinary event, organized by the LAS/ANS with the support of TDN (Consulting, Communication and Marketing firm). It aims to bring together professionals working in energy generation and use, with emphasis in the peaceful use of nuclear energy.

The main subject of the LAS 2024 Symposium is “Regional Cooperation for the Energy Transition: The Role of Nuclear Power within the Environmental and Technological Constraints”. It will be held in Rio de Janeiro, from 15th to 18th July, 2024.

TARGET AUDIENCE

Professionals from all fields related to nuclear energy and general public who can contribute to the discussions of the Symposium main subject.

REGISTRATION AND PAPER SUBMISSION

The deadline for submission of Technical Papers Abstracts is May 15th, 2024. Abstracts should have a maximum 300 words and be submitted only by email to:

<mailto:2024las.papers@tdn.com.br>

Authors are required to send an email address for receiving up to June 15th an Acceptance Communication. At least one of the authors has to be registered in the Symposium, should the accepted paper be included in the technical program.

TECHNICAL AREAS

Papers should deal with areas that are mainly related with the subject of the Symposium, such as:

- Nuclear Technology for the Energy Transition
- Small Nuclear Reactors Outlook
- Fuel Cycle and the Environment
- Nuclear Power and Public Acceptance
- Industrial Support for the Energy Transition.

PAPER GUIDELINES

Papers may be written in English, Spanish or Portuguese languages and will be delivered at the Symposium either in person or virtually. Their extension should not exceed 10 pages in a A4 format and should be delivered within the time limit allocated in the program. Their presentation can also be delivered in Power Point (ppt).

All approved papers will be published in the proceedings of the Symposium to be posted on the LAS/ANS website.

DISCLOSURE RIGHTS

The Authors of the submitted papers agree to the use, at no charge, of their names, images and work, for the LAS/ANS dissemination, by any means of communication, of partial or full translations and of total or summarized reproduction, regardless of licensing, remuneration or payment. Authors shall assume full and exclusive responsibility for the contents of the submitted paper.

GENERAL PROVISIONS

LAS/ANS will not be responsible for any kind of costs (transportation, accommodation or any other form of expense) incurred for the presentation of any work submitted and accepted.
